*S/Y 7th Heaven* is an exceptional 61-foot catamaran built by renowned French yacht builder *Fountaine Pajot* in 2024. This remarkable yacht blends advanced design with functional luxury, perfectly tailored for those who want the best out of their sailing holiday.

### Exquisite Outdoor Spaces

One of the standout features of the *S/Y 7th Heaven* is its expansive outdoor living areas. The **27.5 m<sup>2</sup> cockpit** is designed for both relaxation and socializing, providing ample seating and panoramic views of the surrounding waters. The cockpit seamlessly integrates with the yacht's foredeck, which includes **modular sunbathing stations** perfect for lounging under the sun or enjoying a peaceful evening.

The **30 m<sup>2</sup> flybridge** is another impressive feature, offering a versatile space for entertaining, relaxing, or enjoying sailing under the open sky. The flybridge's layout allows for both a shaded, comfortable seating area as well as a sunbathing space for those looking to soak up the sun while underway.

### Sophisticated Interior

Inside, the *S/Y 7th Heaven* continues to impress with its contemporary, functional layout. The **galley-up configuration** places the modern, fully equipped kitchen adjacent to the main saloon, ensuring smooth interaction between the chef and guests. The large saloon offers a comfortable space for dining and relaxing, with easy access to both the aft and fore decks, making it ideal for socializing or simply enjoying the surroundings.

## Accommodation

Each of the four cabins aboard *S/Y 7th Heaven* offer hotel-like amenities while at sea, with high-end finishes and ample storage. Including a **spacious master cabin** and three **queen cabins**, each with a **private bathroom**, all 4 cabins provide an equally luxurious experience ensuring the utmost comfort and privacy for guests.

## Sailing Performance & Luxury Combined

The *S/Y 7th Heaven* is not only designed for luxury but also for outstanding performance at sea. The catamaran hulls provide stability, smooth sailing, and easy handling in various conditions. With its sleek, modern lines and cutting-edge technology, this yacht promises both comfort and performance for discerning sailors.
